

IF YOU'VE EVER EXPERIENCED LOSS THEN THIS SHOW WAS MADE FOR YOU

Brendan Tran, a Bob Curry Fellow from the world-renowned *Second City* comedy troupe in Chicago, pays tribute to his recently passed dad with this comedy special.

A stand-up story of grief, the healthcare system and the hope that talking (and joking) about the death of a loved one just might help with healing.

Only time will tell.

18+ Contains distressing or potentially triggering themes, Strong language/swearing
