

# THE VOODOO ROOMS - THE SPEAKEASY

**2-24 August (not 11 & 18) 21:05 (60min)**  
**freefringe.org.uk thecreativemartyrs.bandcamp.com**

Serious satirical silliness, songs, democratic participation, immersive existential doom feels in need of a Kabariot.

Join us for our most pertinent material both new and old. Prescience is hindsight in this dystopian terror shite-show...

Ukulele, cello, bowler hats, a little Weimar kabarett for curious times. Progress progresses progressively, fortunately we have learned from our mistakes, the world is more peaceful and kind, myriad wonderful futures await. Do join us....

Time Out and Soho Theatre Award nominated  
BBC Radio 4, BBC Radio Scotland, BBC Alba featured.
