

A DIALOGUE BETWEEN MOVEMENT AND SOUND

LIVE THEREMIN MEETS CONTEMPORARY DANCE IN A POWERFUL, ORIGINAL DUET

PERFORMED BY KAREN CECILIA AND EMILEE LORD

Using co-authored text, musician and playwright Karen Cecilia, and dance and visual artist Emilee Lord, break down and name the expectations they have each combatted and assert what they chose instead.

While each performer's story differs in detail and expression, a common thread between them will ring true with others who have carved their own paths in life.

The audience will be asked to consider their own ideas of "shoulds" and invited to contribute to the show's performance that day.

"Emilee effortlessly shifts from movement to real-time drawings to spoken recollections, creating a compelling performance art which is both intelligently layered and easily accessible. A real artist." - thINKingDANCE

"The heartbeat is soon joined by the surprisingly delicate strains of a theremin played by Karen Cecilia..." - Thinking Theatre
